

Attending a Program at the North Library

Programs and Story Time takes place in the Meeting Room on the first floor.

If I come to North Branch Library on a Wednesday morning at 10:00 a.m., I can choose to attend a themed Story Time or Program. At Story Time I will try to sit quietly on the Story Rug, “criss cross apple sauce” with my legs crossing, so that other children will not trip over my feet. I will try not to talk while Miss Cloreace or another person is reading the story. Sometimes the person reading the story will ask for help with the story or other activity. I can help if I want to.

If I need to go out during Story Time, I will quietly walk to my teacher or my grown-up and ask them to get the Restroom Key from Miss Cloreace and supervise me in the Restroom. When I return from the restroom, I will try to walk quietly so that others can still hear the story, music, or movie. If I choose to sing or dance during the music, I will try not to get too loud or step on anyone.

At Craft Time, I can color my picture anyway I want to, and I will try to say something good about other children’s pictures or craft. I will try to keep from breaking the crayons, and I will try to put them back in the container when I am finished with them.
